

What are the risks of illegal streaming?

1

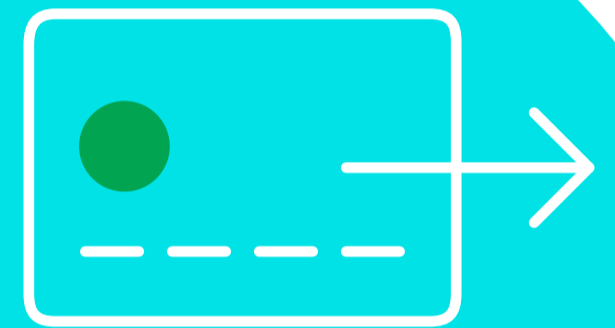

Malicious software **infecting your electronic device.**

2

Criminals accessing your **personal and financial information.**

3

Your **payment credentials** getting **stolen.**

4

Financial loss if services are suspended.

5

By purchasing streaming services, you are **helping criminals** to finance other types of crime.

Streaming websites and apps could expose younger viewers to inappropriate content via pop-up advertisements.
